## MEDICOLEGAL EXPERTISE

I fully understand the requirements of instructing solicitors, particularly the restricted timescales associated with civil litigation, the necessity for clear and balanced expertise, and the absolute need for independent, objective consideration.

### Key Highlights:

- **Extensive Clinical Experience:** Over 27 years in general and colorectal surgery, with expertise in complex and advanced cases.
- **Academic Excellence:** Master's degree (LLM) in Legal Aspects of Medical Practice, providing a strong foundation in legal principles and Civil Procedure Rules (CPR).
- **Evidence-Based Analysis:** Solid background in Evidence-Based Medicine, ensuring all evaluations and reports are grounded in scientific rigor.
- **Effective Communication:** Proven ability to identify key case points, summarize them clearly, and present findings in a scientific, analytical, and logical manner.
- 

### Services Offered:

I currently accept instructions for medico-legal reports and provide:

- **Unbiased Opinions:** Comprehensive evaluations of the standard of care received by clients, including relevant medical background information.
- **Efficient Turnaround:** Rapid preparation of reports, with secure electronic delivery, fully compliant with CPR rules and protocols.
- **Transparent Quotations:** No-obligation quotes for report costs and timeframes.

### Case Experience:

To date, I have handled a significant number of medico-legal cases, comprising a mix of personal injury and clinical negligence claims. These cases have been evenly distributed between claimants and defendants.

### Fees:

- **Consultation and Report Preparation:** £450.00/hour
- **Fixed 'Did Not Attend' Fee:** £250.00

### Consulting Venue:
